# PNAB: Plastic Nose Archbead

• Available in Galvanized or Stainless Steel

This product combines the features of ArchAid® and a non-rust, high impact PVC nose. To be used on interior or exterior arches. Plastic Nose Archbead is especially desirable in high humidity and salt air climates. It has nominally 2 3/8" legs. Available in stainless steel to be used with absolute confidence in corrosive environments. Designed so that they may be curved during installation when encountering curved conditions. Recommended for use with acrylic finishes.

**Per Carton**

**Total Feet:** 200'  
**Pieces:** 20  
**Length:** 10'

**Materials:**

Class 1 G60 Galvanized (17.5 Gauge Wire), Stainless Steel (17.5 Gauge Wire) 316L Stainless 18% Chromium
