# PNFFA: FormAid® Plastic Nose Fireproofing

- Patent Pending
- Available in Galvanized wire

Stockton Products is pleased to introduce FormAid®, a new Patent Pending special version of our standard welded wire Plastic Nose WeepAid® product to be used in the fireproofing process. Designed specifically to aid in forming a contour design when fireproofing beams, columns or other steel members. FormAid's unique design and shape can also be adjusted in the field to achieve any angle desired, eliminating much of the need for costly wood forms, saving money, material, time and labor in the forming process.

**Note:** Product shipped flat

Per Carton	
<b>Total Feet:</b>	300'
<b>Pieces:</b>	30
<b>Length:</b>	10'
