TFBO: TruFlush™ Backing Makeup Open Side

- Faster Installation
- Eliminates Costly Backcharges
- Increase Production Installation, Plus Drywall, Taping And Finishing
- Increased Safety, No Grinders Needed, Only Chop Saw And Screw Gun
- Galvanized Steel (GS)
- ICC ESR-5407
- Patent Pending

Low profile backing that provides increased load capacity. TruFlush™ Backing Makeup Open Side will eliminate build up, drywall cracking and drywall fastener popping. Available in 20 gauge or 16 gauge for various stud spacing.

Note: Custom spacing and steel thickness available with extended lead times.

See Installation Guide For Load Testing Data
