WA: WeepAid®

- Available In 7/8" and 1 1/2" Flange
- Available in Galvanized

Designed to act as a foundation screed for conventional 3-coat 7/8" stucco, WeepAid® maximizes the weep area and reduces the opportunity for stucco to stain or crack. Allows any moisture that gets behind the stucco to drain. Easy to tailor and trim. Can be used to form pop-outs around windows and doors as well as other "Ginger-Bread" details.

Per Carton
